

Villa Candelaria

\$795,000 USD

La Candelaria,
San Miguel de Allende.

Entering Villa Candelaria through the front gate, one steps into a truly spectacular garden, lushly landscaped, with a traditionally tiered fountain in the middle. The garden sets the tone for the open, light-filled house, which looks onto an additional garden in the back. The front door to the home opens on a tall foyer and into the expansive living room with a wall of wide arched French doors leading out to the rear garden.
